1 Summary

1.1 The objective of the audit

Our objective of the audit is to assess whether AS Sertifitseerimiskeskus (hereinafter: SP) policy requirements on the operation and management practices of certification authorities issuing public key certificates is in accordance with ETSI TS 102 042 standard.

1.2 Auditor

The audit was carried out by KPMG Baltics OÜ *Manager* Teet Raidma (CISA certificate nr. 0649518, issued by Information Systems Audit and Control Association on September 1, 2006).

1.3 Audit implementation

We carried out the audit between 25th of November 2013 – 13th of January 2014. During the audit, we familiarized ourselves with AS Sertifitseerimiskeskus IT environment and documentation, interviewed key personnel, surveyed the work processes and carried out other control procedures.

1.4 Auditor's decision

We have audited AS Sertifitseerimiskeskus IT environment, documentation and key processes. We think that the scope of our audit gives sufficient basis for expression of opinion regarding AS Sertifitseerimiskeskus information systems.

We are of the opinion that AS Sertifitseerimiskeskus information systems correspond to requirements provided in the technical specifications of ETSI TS 102 042.

2 Evaluations and conclusions

2.1 High-quality and secure service

It is assessed whether the SP has applied due professional care to guarantee a high-quality and secure service.

Considering AS Sertifitseerimiskeskus personnel policy, qualifications of employees, thoroughness and conservatism in critical areas, set work methods and existing IT environment, we are of the opinion that the company is capable of guaranteeing public key certification service quality and security on a continuous basis.

2.2 Compliance with Certification Practice Statement

The compliance of the SP information system, including compliance of organization and work methods, with documented Certification Practice Statement is assessed.

The company's information system, organization and work methods comply with documented Certification Practice Statement to significant extent.

2.3 ETSI TS 102 042

Compliance of the SP's information system is assessed against standard ETSI TS 102 042.

We assessed full compliance with standard ETSI TS 102 042. We reached the conclusion that AS Sertifitseerimiskeskus follows principles prescribed in the standard in areas of public key certificate service.

Yours faithfully
